Candidates will be invited to a meeting with the Executive Committee, with the aim of getting to know each other as well as an introduction to the history, aims, objectives and methods of working of the organisation. This will allow the candidate to gain a better knowledge of the specific workings of our Centre in its role of maintaining and promoting of Polish culture, outside Poland. The meeting should allow the candidate to decide where and how s/he may become involved in our organisation. Decisions on the acceptance of a candidate will be announced after such a meeting. The Executive Committee reserve the right to refuse membership.
